ABOUT UNIVERSITY OF SUNDERLAND

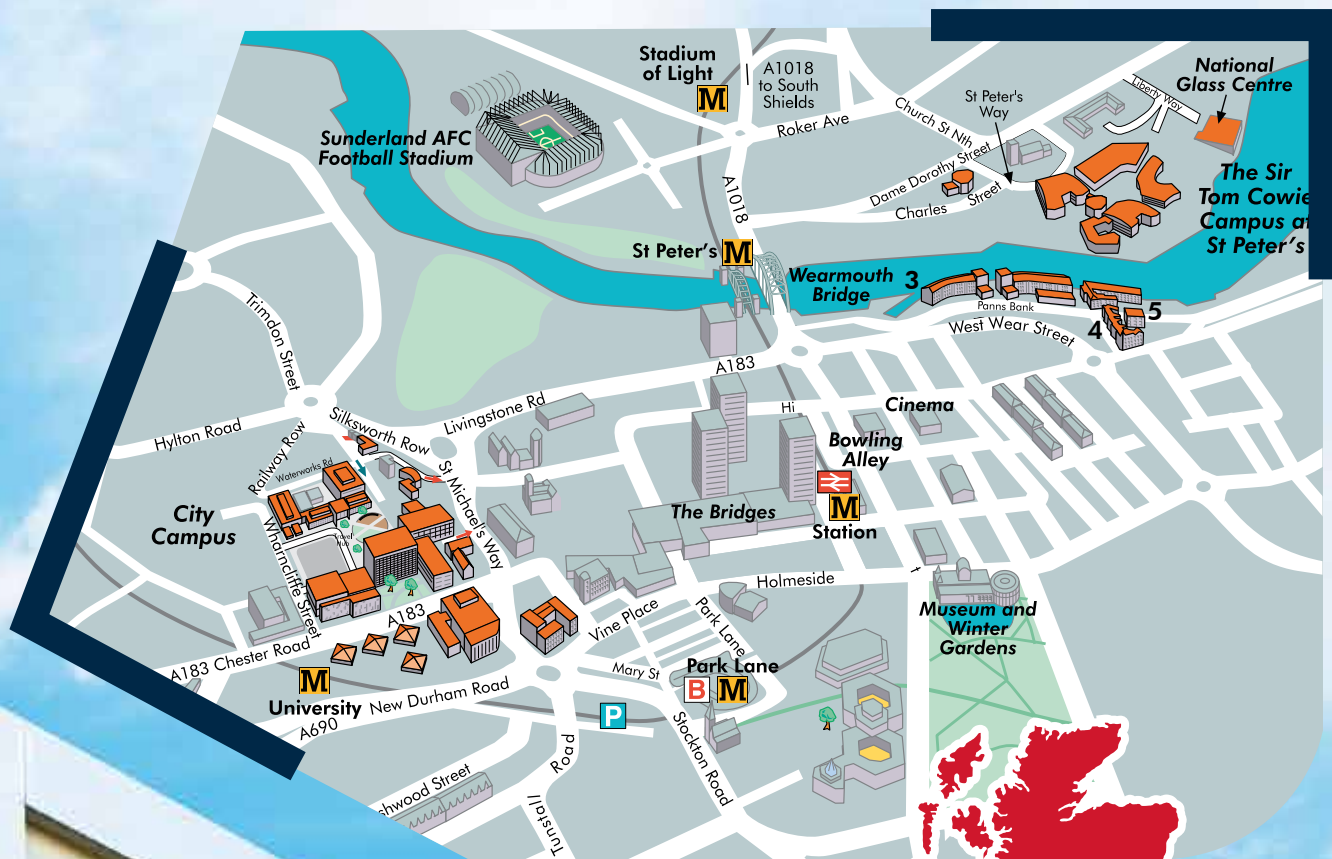

The life changing University of Sunderland has 20,000 students based in campuses on the North East coast, in London and Hong Kong and at its global partnerships with learning institutions in 15 countries. We are proud of our long-established commitment to widening participation, our world-leading research, public and private sector collaborations and our track-record for providing quality student experiences that result in graduates who are the tomorrow-makers of our societies and economies.

ABOUT SUNDERLAND CITY

Sunderland is a city with a wide range of arts, culture, sports retail and entertainment. The impressive riverside campus sits right next to one of the best stretches of coastline in the UK.

The North East of England has one of the most beautiful and varied landscapes in the UK and the city is only a short distance from ancient forests and national parks. The North East is also one of the most affordable regions in the UK which makes living and studying in Sunderland extremely attractive.
